

Agenda
Kick-off Workshop
Center of Excellence in
Undersea Technology
(COEUT)

Co Chairs: John Muench, NUWC
Malcolm Spaulding, URI

February 21, 2007

University of Rhode Island, Narragansett Bay
Campus

Workshop Goals:

- ⑩ To provide an overview of the COEUT and its organization and operation to partners and the initial technical project (ORCAS-NET-COASTMAP).
- ⑩ To review specific opportunities for COEUT partners and NUWC scientists and engineers to perform collaborative research and development in selected areas in coastal ocean monitoring and distributed network systems.
- ⑩ To initiate the process of developing pre-proposal/white paper outlines and associated team of investigators to pursue selected research opportunities.

Agenda

- 8:30 - 9:00** **Coffee and pastries**
- 9:00 - 9:10** **Welcome to URI Bay Campus**
Dean Farmer
- 9:10 - 9:45** **Overview of NUWC Strategic Plan and**
Efforts in Distributed Network Systems
John Muench, NUWC, Co-Chair
Pierre Corriveau, NUWC, CTO
- 9:45 – 10:00** **Coffee Break**
- 10:00-10:45** **Center of Excellence in Undersea**
Technology (COEUT)
Malcolm Spaulding, URI, Co-Chair

Agenda (cont'd)

10:45 – 11:20 ORCAS- NET COASTMAP Initiative

Al Hanson, collaborative leader GSO, URI

11:20 – 12:00 Potential collaborative opportunities

Participants

12:00 – 13:00 Lunch (box)

Agenda (cont'd)

13:00 –13:30

**Selection of collaborative
opportunity teams (3 to 5)**

13:30-15:30

**Collaborative opportunity
teams (Break out session)**

15:30 – 15:45

Coffee break

15:45– 16:45

**Presentation of collaborative
opportunities (Plenary Session)**

Project reporting format (2-5 pgs)

- Project title
- Participants: names, affiliations, email addresses
- Potential Project Sponsor
- Objectives
- Task
- Navy need
